

## Round Table discussion: Skin bleaching: medical and social aspects

This meeting was organized by Color Foundation under the auspices of the International School for Humanities and Social Sciences of the University of Amsterdam. About twenty individuals participated, representing Medicine and Social Sciences. Also government officials and reporters were present, indicating the scope and importance of the issue. The quintessence of the discussion is published in the Dutch journal *Medisch Contact* (with a summary in English). This can be found on this website ([read more](#))
